NOOSA
CHRISTIAN COLLEGE
COOROE

CURRENT VALUE - RESPECT - Value yourself and others through your words and actions.

PRIMARY CROSS COUNTRY CARNIVAL

On Friday 22nd April, the Primary and Kindergarten students ran their cross country races. Students ran distances ranging from 500 metres to 3 kilometres. Throughout the morning, it looked like the weather was not going to be on our side, however, the rain held off long enough to complete all races and the slight sprinkle was actually quite refreshing for those running. It was great to see the community spirit amongst friends and the cheering for others, even not in the same house colour. In the end, Newcombe Freeman won the event by less than 15 points.

Students aged 10 and over were also racing to qualify and represent our College at District Cross Country to be held at Noosaville State School on Friday 6th May. Well done to these students: Lucas Blandin de Chalain, Tully Hayes, Jairon Paul, Zander Tobin, Thomas Harding, Poppy Owen, Hope Walker, Scarlett Hoehn, Sophie Nicolopoulos, Hamish Fleming-Cushing, Elijah Steel, Grayson Chambers, Liam Sweet, Lucy Potter, Abigale Djordjieski, Imogene Browne, Anoushka Tropp, Leilani Fordham, Ethan Hytch and Maddison Wedge.

Mrs Jacqueline Taylor, Primary Sport Coordinator.

AGE CHAMPIONS: Prep - Elise Lawson and Phoenix Hoehn; 6 year old - Alisa Ponosova (no male); 7 year old - Isla Maiorana and Jensen Briant; 8 year old - Isla Tobin and Oliver Fleming-Cushing; 9 year old - Lexi Gore and Isaac Martin; 10 year old - Poppy Owen and Jairon Paul; 11 year old - Lucy Potter and Hamish Fleming-Cushing; 12 year old - Maddison Wedge and Ethan Hytch

Pictured Above: Age Champions, (Isaac Martin absent).

A BIG THANK YOU to Tewantin Noosa RSL for gifting Noosa Christian College money for a large gazebo for our sports carnivals. We appreciate your kindness. (Pictured below).

Building Pathways to Success

Principal's Article

Dear Parents,

Giving your potential purpose.

1 Corinthians 12:4-6 states, 'God gives us many kinds of special abilities, but it is the same Spirit who is the source of them all. There are different kinds of service to God, but it is the same Lord we are serving. There are many ways in which God works in our lives, but it is the same God who works in and through all of us.'

What is potential? The dictionary outlines it as an ability, aptitude, and capability available for use or development. In other words, it is the skills, talent and strengths utilised to extend one's capabilities in a focussed area.

What is purpose? It means what you intend to do; a plan or aim; determination. Many of us limit/cap our potential by not applying purpose to that potential. As we age, we may look back on missed opportunities due to not taking risks or applying our skills to new situations. At our college we want to give opportunities for students to try new things, new situations and new experiences that build pathways to success.

So far this year a range of students have or are about to experience camps, service to others (sister schools, community events, café, etc.), incursions (team skills for Years 7 & 9), excursions, fundraising, competitions, workshops (careers), members of committees, preparing for WOW week, leadership opportunities, sporting events, ANZAC Day, Duke of Edinburgh Awards and mentoring other students, to name some of our prominent ones.

Miles Munroe, a minister, states that to unlock your potential, we need to establish a relationship with God; identify resources needed to facilitate; create the right environment; express your potential through hard work; the need to guard your potential from laziness, distractions, and compromise; and share your potential with others.

It is important that we, as a school community, work together in partnership to nurture our childrens' potential and help them to facilitate a purpose for their potential that they can use through seasons of their life and more importantly fulfil them with joy, a sense of worth, servanthood to God and productivity.

Ephesians 3:20 (TPT) states 'Never doubt God's mighty power to work in you and accomplish all this. He will achieve infinitely more than your greatest request, your most unbelievable dream, and exceed your wildest imagination! He will outdo them all, for His miraculous power constantly energises you.'

Warm regards, Mrs Jeanette Martin, Principal.

Dear Parents

Exciting news! Our OSHC License from the Early Childhood Education and Care has been approved and we have employed an OSHC Coordinator to run the service, who we will introduce soon. We are in the process of waiting for our CSS service number from Centrelink so that parents can apply for fee assistance. We will soon be asking parents who wish to use the service to enrol for after school care and/or vacation care online at the kiosk in Qik Kids. Please look out for this email which will be coming soon.

RESPECT

Everyone wants it. Not everyone gets it. Not everyone deserves it either.

Respect is that funny little thing that makes you look at a person and say: "That is the kind of people I trust. I think they are the kind of person I want to be like."

I have people in my life I respect for different reasons. I respect my Mum because of the amazing woman she is and how much she loved me into the person I am today. I have respect for some great pastors who have mentored me because of their integrity, passion for God, and how they invested in me.

One thing I have learnt is this: respect is never isolated. Respect has friends. If I want respect, I need to be someone who cares, someone who is present, and someone who helps others. I can't expect respect from other people I work with if I am not willing to work hard and support the team. I can't expect respect from my classmates if I am not willing to be kind and friendly. If I can't be a respectful person to my parents' instructions, I can't expect them to trust me.

So, you want to be respected? Good. Think about how to love people. Support others. Listen to others. Be a person who makes a difference in other people's lives (for the better). Sooner or later, you will notice that these habits bring along a friend. Respect will come along eventually. The time will come when people look to you and say: "I trust them. I want to be like them."

Pastor Jacob Ugljesa.

Student Chaplain's Article

RESPECT

The word 'respect' is a wide term and has a huge meaning.

Different people understand this term in different ways. Respect is a feeling of deep admiration and being held in high esteem for someone or something. It is also a feeling that fills someone with positivity or action we express towards something.

Respecting someone is a good indication of a person's morals. Unfortunately, people are forgetting the value and true meaning of respect, and it is slowly fading away.

Respect is extremely important because this means you accept someone for who they are, even if they are different from you. It builds feelings of trust, safety, and well-being in our relationships. Respect is a core value in Christianity because we believe everyone deserves respect, whether it may be their religion or just the way they look, those things deserve respect.

The Bible tells us in 1 Peter 2:17, "Show proper respect to everyone. Love the brotherhood of believers, fear God, honour the King". It does not say, show only respect to those who you deem worthy, no, it says clearly "show proper respect to everyone."

Respect is not earned; it is a right that everyone deserves. So whether you're Christian or not, it is still your responsibility to uphold that right.

Tasahla Pink, Year 9.

YEAR 8 AGRICULTURE

The Year 8 Agriculture class enjoyed checking on their garden after the school holidays. They found plenty of weeds that needed to be removed, ready-to-eat cucumbers and corn, tomato plants to stake up, and tiny carrots that weren't quite ready to harvest. They can't wait for 'salad day' when they get to harvest and eat some of their produce.

SECONDARY CROSS COUNTRY

On Friday the 22nd of April our Secondary Cross country was held. So many of our students participated with many of them doing their best and breaking personal records. The 12 and 13 year olds ran 3km, the 14 to 16 years male students and 14 and above female students ran 4km and our 16 and over boys ran 6km.

The students displayed excellent school spirit and sportsmanship throughout the event, making our school proud.

Mr Sam Krieg, Secondary Sport Coordinator.

FRIDAY TENNIS CLUB

Tennis coaching is available at Noosa Christian College on Friday after school for Year 3 to Year 6 students. These are private lessons for 8 weeks for \$12 a lesson (\$96 for 8 weeks) commencing Friday 6th May and runs until 24th June.

Coach James Webber has coached in Australia, USA, New Zealand and the UK. He managed the Hot Shots Program at the National Tennis Centre for several years and has coached high profile players who have gone onto participate in Junior Grand Slams and gain tennis scholarships in USA. Bookings can be made at:

<https://allplaytennis.com.au/course/term-2-noosa-christian-college-grade-3-6-tennis-lessons-friday-310-340pm-8-weeks>

ADVENTURERS

Adventurers is a fun, Christian, activity-based program for children that is family-friendly and designed to support parents/caregivers in providing Bible-based learning and new skills for children. It offers a wide range of learning experiences for children 4 to 9 years of age. For further information, please email: noosaadventurerclub@gmail.com

PATHFINDERS

Noosa Pathfinders participated in a 5 day Camporee with 700 other Pathfinders from South Queensland over the Easter long weekend. The activities challenged the Pathfinders physically and gave them opportunities to make new friends from other clubs. The evening meetings were packed with worship songs, a drama, testimonies from young Pathfinders, and spiritually uplifting stories from Dr Nick Kross. The significant number of Pathfinders who made the decision to start Bible studies and continue their journey with baptism is the primary reason for these events.

Check out Pathfinders for your Year 5-12 kids and Adventurers for your Kindy to Year 4 kids.
