CURRENT VALUE - SERVICE

Put the needs of others first and lend a helping hand.

AUSLAN SUPERSTARS

The Primary students in Prep, Year 1, Year 2 and Year 3 are thoroughly enjoying the introduction of the new subject, Auslan, in 2023.

The Year 2 students pictured below received awards at assembly on Friday 24th February for receiving either 100% on the Auslan finger spelling test or they know all of the alphabet in Auslan. Mrs Cronin is super proud of you all!

Building Pathways to Success

Dear Parents,

Our refurbishment for the library is progressing with slabs having been laid down this week for the extension work. Internal walls are going up and services are being redeployed for different parts of the Resource Centre. We thank you for your patience as we utilise temporary administration offices and the hinderance of the builders office and worksite. Please be assured that the builders are working as quickly as possible to complete the building project.

Our current value is 'Service'. Our value states 'Put the needs of others first and lend a helping hand'. Instilling and discussing this value within the classroom nurtures. Thinking of others before yourself is very beneficial for your health and happiness. Mark Rowland CEO of Mental Health Foundation states 'Evidence shows that helping others can also benefit our own mental health and wellbeing. For example, it can reduce stress as well as improve mood, self-esteem and happiness.' He also goes on to say that thinking of others, being kind to others and doing something for other people that is beneficial to them gives us a sense of purpose, a sense of belonging, reduces isolation, keeps things in perspective, makes the world a happier place and the more you do for others helps yourself. At Noosa Christian College we want to create a legacy for our students to be seen as valuable members in society by their actions in being passionate to be kind and helpful to others. It brightens up the day of the person they are helping or being kind to and it gives a sense of fulfillment. The Bible states in 1 Peter 4:10-11: "Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms. "If anyone serves, they should do so with the strength God provides, so that in all things God may be praised through Jesus Christ." Here are some ways that the Bible highlights how we can serve others - Pray for each other (Ephesians 6:18) Share and give to those in need (Hebrews 13:16) Give encouragement (1 Thessalonians 5:11) and Be kind and compassionate to one another (Ephesians 4:32). In putting Jesus first, Others second and Yourself last it spells JOY.

We can have JOY in our lives when we put the needs of others first and lend a helping hand using our talents, abilities to serve others with a cheerful heart. May God bless you as we find ways of serving others in our College, local community and further a field.

God bless, **Mrs Jeanette Martin, Principal.**

Annual and Term 1 Fees were due on 21st February 2023. If you have not paid, please organise payment at your earliest convenience.

If you have not received your Statement of Fees or payment plan, please email Stephanie:

20th Anniversary Event

Please let current and past students, parents and staff know about the 20th Anniversary Bush Dance and Country Fair.

A registration form will be made public very soon where you can register your attendance.

CHAPLAIN'S NOTICEBOARD

CHAPLAIN'S ARTICLE

"The Scriptures give us hope and encouragement as we wait patiently for God's promises to be fulfilled."
(Romans 15:4)

The Bible was the first book in history to be printed. Johann Gutenberg invented the printing press in Mainz, Germany in 1455. Up until this time if a book was to be copied, it had to be done by hand. The Gutenberg Printing Press allowed copies to be mass produced with the help of the movable type (see picture below).

As the Bible was copied and shared it became a source of inspiration and hope to many people. Words like those found in Joshua 1:9 have provided inspiration and encouragement have inspired millions of people: "Do not be frightened, and do not be dismayed, for the LORD your God is with you wherever you go." That's just one sentence in a massive story which gives encouragement now and hope for the future.

CHAP-PALS

Chapel is a special and central part of our school's spiritual culture. We love to meet each week to hear stories from the Bible, have some fun together and worship God through music, prayer, and service.

Our youngest students from Kindy to Year 2 meet together on a Wednesday afternoon from 2pm. Every week we are joined by the Chap-Pals who teach us about our school values. They award students who they catch showing the values in class or at play.

Eddie the Lion loves when kids are doing their very best.

He loves our school value effort!

WHAT'S ON? CAMPUS CHURCH

Every Saturday morning we gather as a church community in the NCC chapel. This is open to everyone and we hope you will feel comfortable to join us at any time.

Bible study small groups run for all ages from 10:00am. Adult groups meet to connect with each other in community and read the Bible together. Groups are also available for children and for teens.

Bible Study Groups 10:00am (For all ages).
Worship Service 11:15am and lunch is provided after the service.

Harmony Festival – Saturday March 18 at 6:00pm at the NCC Chapel.
Bring a dish of your national cuisine.
Fun for the whole family ... Games. Stories. Food.

FRIDAY ARVO BOYS GROUP

Every Friday afternoon from 3:00pm-5:00pm we run a group for boys to connect with mates and spend time having fun in a safe environment. Together with Pr Jacob the group meets to participate in different fun activities like playing sports, Nintendo Switch, or other outdoor games. Afternoon tea is provided.

As well as connecting and destressing with activities, the boys connect in a Be Real time as we discuss different topics, read the Bible together, and pray for each other.

Spots are limited so please contact Pr Jacob on 0421 994 885 to express your interest for your son attending.

Year 6 Leadership Conference

The Year 6 students had a fun-filled day at the GRIP Student Leadership Conference on Thursday 23rd February. They looked at how to be an 'others first' leader; the leader that can impact people the most; ideas that impact everybody and how to get everybody on board with a new idea. Each section was completed in a workbook with lots of fun interactive games in between to engage the students and to get them out of their comfort zone. Once back at school, the Year 6 students have completed a written task stating why they would like to be part of the Primary Student Representative Council (SRC) and what improvements they would like to see happen in the primary school. Names for the SRC will be announced next week on Assembly.

Mrs Jodi Presecan, Primary Deputy Principal.

Primary District Swimming Carnival Results

We are excited to share with you the latest updates from the recent District Swimming Carnival that was held on Tuesday 15th February. The event was a huge success and a great opportunity for the students to showcase their swimming skills. The carnival took place at the Noosa Aquatic Centre, and it was a day filled with excitement and energy. Students from different schools within the district participated in various swimming competitions, including freestyle, breaststroke, backstroke, and butterfly. The competition was fierce, and the swimmers displayed impressive skills and techniques in the water. The atmosphere was electric, with the spectators cheering loudly for their favourite teams and individuals.

RESULTS:

Lily (Year 4); 50m Backstroke – 8th; 50m Breaststroke – 11th;
50m Freestyle – 11th
India (Year 5); 100m Freestyle – 16th; 50m Butterfly – 19th;
50m Freestyle – 23rd
Alyxander (Year 5); 50m Backstroke – 6th;
50m Breaststroke – 8th; 50m Freestyle – 6th
Jack (Year 5); 50m Butterfly – 15th
Poppy (Year 5); 100m Freestyle – 8th;
50m Butterfly – 18th; 50m Freestyle – 9th
Lucy (Year 6); 50m Butterfly 8th;
50m Freestyle 11th
Hunter (Year 6); 50m Freestyle – 8th
Grayson (Year 6); 50m Freestyle – 19th
Hope (Year 6); 50m Butterfly – 16th

Overall, the District Swimming Carnival was a fantastic event that showcased the talents of our young swimmers.

Thank you to everyone who participated, and we look forward to seeing you all compete again next year!

Mrs Cassie Vincitorio, Sports Coordinator.

Year 5 have been having some fun with Miss Graham's disposable film camera. Here is a photo that turned out after being developed.

Miss Margaret Graham, Year 5 Teacher.

Secondary District Swimming Carnival

The recent Secondary District Swimming Carnival was a really positive event for Noosa Christian College. It was inspiring to see all the students give their best effort and achieve many personal bests throughout the day.

There were a few standout performers as Sophie Jansen (Year 10) placed first in 50m freestyle, breaststroke, butterfly, 100m freestyle and 2nd in backstroke. Imogene Browne (Year 7) also placed third in 50m butterfly.

These students have now qualified for the Regional Titles.

Despite the competitive nature of the event, the students cheered on their peers with enthusiasm and school spirit. It was an excellent day and we are all super proud of our NCC students.

Mr Sam Krieg, Secondary Sport Teacher.

Year 8 Agricultural Science

The Year 7 Agricultural Science class has been studying how to be savvy buyers. Today we tried comparing the texture, appearance, and flavour of barn laid eggs to our very own Noosa Christian College free range eggs. It was easy to see the difference in yolk colour, but you had to try it yourself to taste the difference. Most students agreed they would rather pay more for eggs from healthy chooks.

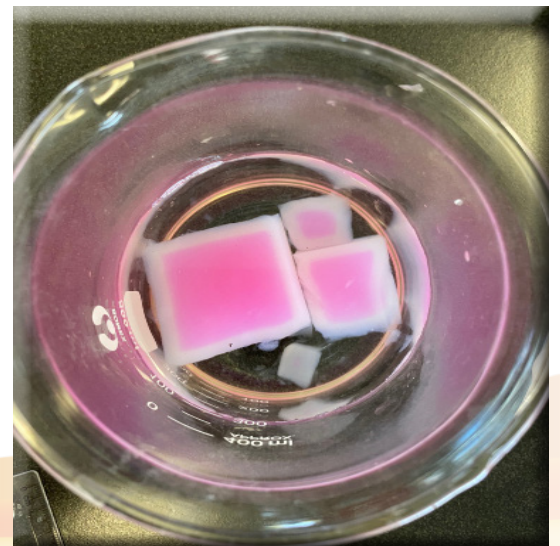

Mrs Kelly Paul, Secondary Teacher.

Year 11 Biology

Year 11 Biology students have been learning about the efficiency of cellular transport in tiny cells and the relationship between surface area and the volume of the cell. They loved cutting up the pink jelly for their prac and seeing how diffusion turned parts of the cubes white.

Mrs Kelly Paul, Secondary Teacher.

Year 9 Science

Year 9 Science students have been learning about the immune system. This week, they used chemicals to model 'catching' infectious diseases and how vaccination helps prevent getting sick. They had a lot of fun and enjoyed seeing their cup turn pink when they caught the disease.

Mrs Kelly Paul, Secondary Teacher.

Senior Art Excursion

Last week the Year 11 and 12 Senior Art students went on an excursion to the Gallery of Modern Art (GOMA).

They attended the 'Air' exhibition, (which is worth the drive to Brisbane), to view various contemporary international artists' work.

Mrs Melinda Zaninni, Secondary Teacher.

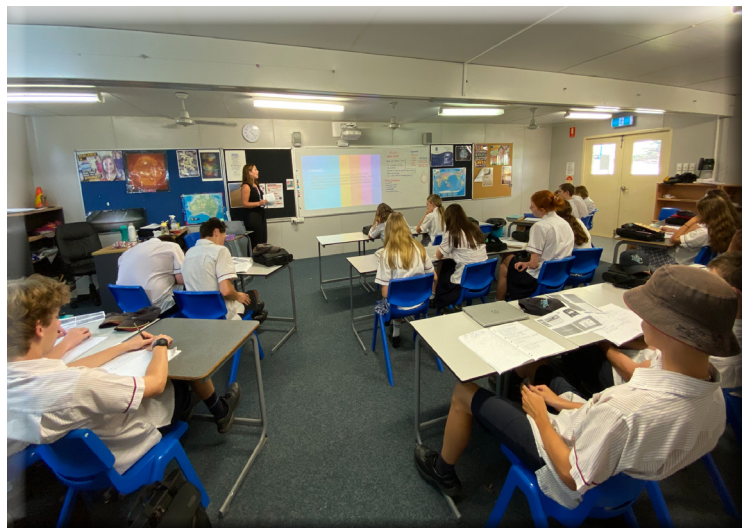

Year 10 Geography

On the 15th February the Year 10 Geography class had a guest speaker come to visit from an organisation called Youturn.

The class learnt about homelessness and what is being done for homeless people in our area.

Miss Jenaya Lewis, Secondary Teacher.

CERTIFICATE II IN OUTDOOR RECREATION

Cairns - Sunshine Coast - Brisbane

Learn to SCUBA Dive, Surf, Kayak, Sail, or Bush walk
& earn 4 QCE Points!!

Piano and Singing Lessons

Hello!

My name is Breanna Sweet and I am delighted to be offering piano and singing lessons at the school, beginning in Term 2.

Music is a wonderful gift and I believe we are all given the ability to be musical and enjoy music in many ways. With over 20 years of musical experience and knowledge, I am looking forward to sharing this with your child.

An expression of interest form has been emailed to NCC parents.
